SCHENGEN VISA MASTER GUIDE

Pakistani Nationals • Tourist & Business Visits • Official Links and Document Checklists

Prepared 27 October 2026. This guide covers all 29 Schengen countries and provides official starting links, application/appointment routes, and practical document checklists. Official pages should always be rechecked before taking a booking or accepting a client file.

Critical application rule

Apply to the country where the main purpose/longest stay is planned. If multiple Schengen countries involve equal stays, apply to the country of first entry. Generally apply no earlier than six months before travel and at least 15 calendar days before departure. Normal processing is generally 15 days but can extend to 45 days.

Important limitation: appointment systems, representation arrangements, fees, service-provider locations and required documents can change. Where the exact Pakistan representation or active appointment route could not be confirmed from a single country page, the table clearly instructs the reader to confirm it with the official mission.

2. Tourist visa document checklist

This is a general master list, not a substitute for the destination country's own checklist. Include only applicable documents and follow the mission's prescribed order.

- ■ Original valid passport; check validity/blank pages and prior passports if available
- ■ Completed country-specific Schengen application form, signed where required
- ■ Recent ICAO-compliant passport photograph
- ■ CNIC copy; FRC or civil-status documents if requested
- ■ Travel medical insurance valid throughout Schengen stay (minimum €30,000 emergency medical/repatriation cover generally required)

- ■ Accommodation evidence for all nights (hotel booking or host invitation/accommodation proof)
- ■ Day-by-day tourism plan and inter-country transport bookings if relevant

- ■ Employment letter, job title, salary slips and approved leave; OR business registration/ownership evidence; OR student/retirement evidence
- ■ Tax returns or other income evidence where applicable
- ■ Evidence of ties to Pakistan and intention to return (employment, business, family, property etc., where relevant)
- ■ Previous passports, visas and travel history if available
- ■ Minor applicants: birth certificate, parental consent/guardian documents and parents' IDs as required
- ■ Translations/legalisation if specifically required by the destination mission

3. Business visa document checklist

For meetings, trade negotiations, exhibitions and conferences. The business invitation and the Pakistani employer/company letter should clearly explain the genuine purpose and funding.

- ■ Invitation must explain purpose, exact dates, itinerary/meetings and who pays expenses
- ■ Host company's registration details/contact information; host ID if requested
- ■ Letter from Pakistani employer/company explaining business purpose, applicant's role, dates and expense coverage
- ■ Applicant's employment certificate, salary slips and approved leave; for owner/director: registration, tax and business evidence

- ■ Evidence of return to Pakistan and ongoing employment/business obligations
- ■ Previous passports, visas and travel history if available
- ■ Do not present a business visit as employment; confirm that planned activities are permitted under short-stay rules

4. Core rules and official sources

Purpose: This workbook is a practical starting guide for Pakistani nationals applying for Schengen short-stay (Type C) tourist or business visas.

Where to apply: Apply to the country of the main destination/longest stay. If equal stays across countries, apply to the first Schengen country entered.

Application timing: Generally no earlier than 6 months and at least 15 calendar days before travel; appointment queues may require much earlier planning.

Passport: Generally valid at least 3 months after intended departure from Schengen and issued within the previous 10 years; check mission-specific rules.

Insurance: Generally minimum €30,000 emergency medical, hospitalisation and repatriation coverage valid for the Schengen area and entire stay.

Fee: Standard short-stay fee generally €90 adults and €45 children aged 6–11; service fees and exemptions may apply. Confirm current fees.

Processing: Normal processing is generally 15 calendar days; may extend up to 45 days in individual cases.

Forms: There is no single universal downloadable form for every country workflow: some use online portals, some use VIDEX or a country-specific form.

Representation: Some Schengen countries may be represented by another country in Pakistan. This list deliberately flags cases where the exact current representation/route must be reconfirmed on the official page.

Appointment safety: Book only through official embassy/consulate pages or the provider they name. Never pay unofficial agents for appointment slots or guaranteed approvals.

Verification date: Links and notes compiled on 27 October 2026 from official government/mission pages and designated providers where identified. Availability, locations, fees and representation can change.
